

## Office Supplies and Furniture

S&T Office Products, Inc proudly serves ThePurchasingDept™ members with *Smart Solutions for a Productive Office*.

Because of ThePurchasingDept™ group contract, we are able to extend members pricing usually reserved for our largest corporate customers.

Our customer value propositions are focused on customer intimacy, operational excellence and product knowledge.

In addition, we add value by:

- *Providing local service – nationwide*
- *Serving customers with strong, efficient operating and distribution systems*
- *Providing next day delivery*
- *Providing creative consultative product solutions*
- *Providing high fill rates and competitive pricing*
- *Serving with a customer care group located at our distribution center providing consistent, responsible responses*
- *Provide dedicated account managers that build customer loyalty relationships*

*S&T is one of the 10 largest independent providers of office solutions, and is a Minnesota based, privately held, veteran owned company in business since 1971*
