The Purchasing Dept™
Leverage

The Purchasing Dept™ has negotiated an agreement with KDV, Ltd for **Outsourced Payroll** Processing, **Time Clock** Solutions and Online **Human Resource Management Software**. As a member of our network you have access to this master agreement. KDV's business model and value proposition is different from the large payroll providers. Their focus is saving you money, saving time for your team, and generating efficiencies through their integrated solutions...all with a high touch service model.

Advantages of KDV's Payroll Service Bureau

KDV is a Payroll Service Bureau that processes hundreds of thousands of payroll checks annually. Their clients range in size from 5 employees to 1,000 with one that has over 90 different locations throughout the United States. They specialize in working with organizations whose employees are multi-tasking and working with limited resources. Their business model supports a one-on-one service experience for clients. And they have converted hundreds of organizations that choose to migrate from the large giant payroll providers to their Independent Payroll Service Bureau – in as little as 8 – 12 hours of your payroll person's time.

Increased ROI

The following are just a few of the benefits that KDV Payroll Solutions provide organizations:

- **Accountability**
 - You will have one dedicated, accountable payroll support technician assigned to your account.
 - Your dedicated support specialist understands your industry and unique challenges - thus improving accuracy.
 - Your dedicated support specialist's average length of tenure is over 10 years.
- **Improved Cash Flow**
 - You will see an improved cash flow.
 - KDV will file **all** payroll tax liabilities on your behalf on the date they are due.
 - They do not "impound" payroll taxes. This feature results in less risk of doing business with KDV.
- **Robust Software Solutions**
 - Powerful and easy to use web-based payroll, time clock, and HR software.
 - Strong reporting functionality - you can "mine" and report on **any and all** data stored in the database.
 - Efficient date driven functionality – you can pre-date maintenance changes to earnings, deductions, taxes, direct deposit, vacation accruals, labor allocations, fringe benefits, and more. This will feature results in improved accuracy and a smoothing out of workflow.
- **Investment**
 - Month to month agreement – they believe in earning your business every month.
 - Competitive fees.
 - No fees to break agreement.

KDV has been able to create a **greater ROI** for their clients investment of time and \$\$\$ in an outsourced payroll solutions. Their solutions help streamline your payroll and processes to **gain efficiencies**.

Should you or any member of your team have interest to learn more, please contact Lee Roberts or Jim Stelten at 952.563.6800.
